- **TAXPAYER CODE (CODICE FISCALE)**

The taxpayer code is an instrument for identifying citizens and it is issued by the Ministry of Finance. It is required for various procedures, e.g. **to complete your enrolment** as well as **to open a bank account**, **to apply for a health insurance card** or **to sign a tenancy agreement**. To request a taxpayer code, all citizens resident abroad can contact the Italian Consular-diplomatic representation in their country of residence. In Italy this document can be requested at the closest **"Agenzia delle Entrate"** in the city in

which you reside. **The closest office to Tor Vergata University is located in via di Torre Spaccata 110 (behind the supermarket), bus n.20 (from Viale Cambridge). Opening hours:** Monday and Friday, from 8.45 to 12.45; Tuesday, Wednesday and Thursday, from 14.15 to 15.35.

- **VISA**

- ✓ **EU citizens**

If you are a citizen of a country belonging to the EU, you are exempted for a VISA to enter Italy.

- ✓ **Non-EU citizens**

If you are a citizen of a country not belonging to the European Union, you need to obtain a VISA before your arrival in Italy. The VISA request must be submitted to the closest Italian diplomatic representative (Italian Embassy, Consulate, etc.). For further information, visit the webpage dedicated to the VISA application process on the website of the Ministry of Foreign Affairs:

[vistoperitalia.esteri.it/home/en](http://vistoperitalia.esteri.it/home/en)

- **STAY PERMIT**

- ✓ **Non-EU students**

The Italian law establishes that non-EU citizens who wish to stay in Italy for more than three months must

apply for the residency permit **within 8 days from their arrival in Italy.**

Firstly, the student has to take the kit for the residency permit request (available at post offices or at the University Welcome Office, where the student can also receive assistance to fill it in.

Once the request form is correctly completed, the student has to deliver it to any post offices together with:

- a copy of each passport's page;
- a copy of the health insurance;
- a copy of the Acceptance Letter received by the University;
- a copy of the Fiscal Code;
- 1 Revenue Stamp (Marca da Bollo) € 16. You can buy it in the tobacco stores.

**Costs of the Residency permit:**

The cost of the slip is € 70,46

- **HEALTH INSURANCE**

Having a valid health insurance in Italy is essential to request a residency permit. If you have already

stipulated an insurance policy in your country of origin and it was validated by the Italian representation before you left, you can use it for the first issue of your residency permit. Otherwise, after arriving in Italy you will have two opportunities: either registering with the National Health Service (SSN) or stipulating a private policy.

## **1. National Health Service**

The registration with the National Health Service (SSN) will provide you with complete health assistance. You will be assigned to (or you can choose) a general practitioner (also called "family doctor"). Registration is valid for one calendar year (from January to December).

### **How to register**

At the post office:

A) Fill in the slip and pay € 149.77 (postal current account no. 370007) in the name of "Tesoreria Provinciale dello Stato, Regione Lazio" and write the following description in the dedicated space: "iscrizione volontaria al SSN year..." (which means 'voluntary registration with the SSN' for the year in question);

B) Go to the closest ASL office (Local Health Authority). The closest one to Tor Vergata University is situated in Via di Torrenova (other addresses can be

consulted at the [www.salute.gov.it/](http://www.salute.gov.it/)). You have to bring with you the payment receipt.

## 2. Private Health Insurance

As an alternative to the National Health Service (SSN) you might consider subscribing a private health insurance policy with any private insurance agency that provides the cover of emergency healthcare treatments in public hospitals. The majority of them are valid for 6-12 months from the payment. To take out the policy and to obtain information on how to sign the health insurance contract, you have to contact the chosen institution asking for the procedure.

The service is free of charge for:

## STUDYING AT TOR VERGATA UNIVERSITY

### ✓ Enrolment procedures

The enrolment to Universities in Italy is regulated by ministerial procedures meant to establish different modalities of access for:

- EU & Non-EU students residing in Italy and holding an Italian title: This category includes EU citizens (also

Italians), equivalent and non-EU citizen with a resident permit holding a foreign title. Citizens of Norway, Iceland, Liechtenstein, Switzerland and Republic of San Marino are considered as equivalent students; as well as refugees and holders of subsidiary protection status, including staff in service in Diplomatic Representations abroad and in international bodies located in Italy - accredited to the Italian State or the Holy See - and their dependent families (spouse and children).

- Non-EU students resident abroad (Study Visa applicants): This category includes students with citizenship of a non-EU Country and resident abroad, hence applying for a study visa.
- Non-EU students holding an Italian title: The non-EU citizens holding a title obtained in Italy, access to the University in accordance with the same procedures meant for the Italian citizens (hence with no dedicated quota nor need to sit for the test of Italian language).

After the admission test, if provided, you will have to complete the registration procedure following the instructions of the category you belong as reported on the website here below:

✓ **Grades and CFU (ECTS)**

In Italian Universities grades are given on the basis of 30 points: 18 is the lowest passing grade (sufficiency), and 30 is the highest grade. In case of particularly outstanding performances, a “lode” can be assigned and the grade is registered as 30 cum laude (30L online). You will be awarded the relevant university credits only if you pass the exam of a course. Exams usually are worth 6 or 12 credits. The Transcript of Records is being filled once you have passed each exam included in the Learning Agreement. Please note: the failed exams will be listed neither in your Grade Booklet nor in the Transcript of Records. Therefore, you will not be awarded the equivalent university credits.

- ✓ **Academic calendar 2018/2019**  
The Academic Calendar of each School for the A.Y. 2018/2019 is available at the following link:

- **TUITION FEES REGULATION**

Tuition fees at the University of Rome Tor Vergata for the **A.Y. 2018/2019** will be based on the student's family income and no extra-fee will be charged for courses taught in English.

International students' family income can only be certified by the Italian Diplomatic Authorities that will provide the student with the certified documents that need to be brought to any CAF Office (Italian Tax Service Centres) after arriving in Rome.

The CAF office will deliver to the student the ISEEU module necessary to then determine the student's yearly tuition fee amount.

Not submitting the ISEEU to the University will imply for the student the payment based on the maximum rate of the yearly fee of the course (80% of the maximum rate for the students coming from low-income economies or lower-middle-income economies; 100% of the maximum rate for all the other international students).

The student must get the ISEEU module at the CAF Office no later than **17<sup>th</sup> December 2018**; after this date, a non-refundable late submission penalty will have to be paid by the student.

For the students enrolling in the first year, the first instalment must be paid during the enrolment procedures. If this is not specified in the course call, the first instalment must be paid by **November 5th, 2018**.

## Tuition Fee Amounts

Yearly tuition fee amounts vary depending on the ISEEU index, calculated by the CAF Office, as follows:

- Students with an **ISEEU lower than 13.000 euros** are in the tuition "no-tax area" and will only be charged with a tuition of 156,00 euros per year; students applying for the LazioDisu scholarship benefits will only be charged with 16,00 euro.
- **ISEEU between 13.001 euros and 90,000 euros:** the contribution will be proportional to the value and will vary according to the contribution class and the type of taxation of the course;
- **ISEEU more than 90,000 euros or for students that have no ISEE-University:** the contribution will be the maximum foreseen for the contribution class and type of taxation of the course.

In order to better understand the taxation system, listed below is a fee simulator:

<http://www.iseeu.uniroma2.it> (select "Simulatore tasse 2018/19").

**N.B All students, independently from the LazioDisu scholarship, have to submit the ISEEU, in order to obtain tax reductions in case the LazioDisu scholarship is no longer awarded or is withdrawn.**
