

ANNEX 1 to the ACCOMMODATION GRANT CALL 2020

Annex 1 to the "ACCOMMODATION GRANT CALL 2020".

In order to answer the question contained in the application form, students who participate in the "Accommodation Grant" Call must provide information that makes it possible for the Institution to verify certain data.

In particular, students will be asked whether or not they fall within the following limits:

Course year 2020/2021	Bachelor's degree course	One-cycle Bachelor's degree course	Specialist Bachelor's degree courses or two-year master's degree courses
2°	25	25	30
3°	80	80	-
4°	-	135	-
5°	-	190	-
1° fuori corso	135	245	80
6° (Medicine)	-	245	-
1° fuori corso (Medicine)	-	300	-

If the number of credits obtained in the period between the time of enrolment and 10 August 2020 is equal to or greater than the numbers expressed in the table above and after matching the year of their course and the type of course attended, candidates must indicate a "yes" or, in other words, must answer "no" to the question provided in the application format.

The following can also be included in the calculations of merit:

- 1) ECTS credits obtained following attendance in laboratories, internships, and training activities, including any credits acquired for the progressive maturation of integrated exams.
- 2) ECTS credits obtained through internship activities. The validation of partial credits obtained in the 2019/2020 academic year.
- 3) credits deriving from pass/fail exams.
